Dear Mr. Berlin:

Thank you very much for sending me the print of yours. It is very nice and I will keep it in my portfolio of other photographers' work.

I don't know which print of the Garden of the Gods in Colorado you were interested in. I have quite a good many and I need for you to describe it in more detail.

As to your comment about forming a school with Mr. Newhall, I am afraid that you misunderstood this; however, I have been asked to give a demonstration of the hand-coated platinum process at the University. No date has yet been set but I imagine it will be some time in the spring.

If you come this way again, please drop by and say hello at least.

Very truly yours,

Laura Gilpin
