Dear Peter:-

Day before yesterday, I had a lengthy telephone conversation with Mr. Friedman, director of the Walker Art Gallery in Minneapolis, regarding a big Indian exhibit which he is preparing. He wishes to exhibit quite a number of my photographs in this connection. As I am leaving for another field trip on the 15th of Sept. I do not possibly have time to make so many new prints. Therefore it will be necessary for me to withdraw my work from your gallery by the 13th in order to have time to pack and ship these before I leave. As I also have several other large commitments to be prepared during the rest of this nad next year, it seems best for me to withdraw at this time.

I appreciate your wanting to exhibit my prints and I hope that my participation in your first show was some help in establishing your gallery.

You still have twenty three of my prints which I shall need by the above mentioned date.

Thanking you for your interest, I am

Sincerely yours,
