Mr. Stephen Federation,
166 Moulson St.,
Rochester, N.Y.

Dear Mr. Federation:-

Several days ago, I shipped you one of my Medalist cameras. This one, I think needed only cleaning and adjusting. I am enclosing herewith my check for \$35.00 which I hope will cover this cost. As soon as this camera comes back I will send you another that needs more work. I have still a third camera which I sent to New York but have not yet heard from. I have a big project coming up for which I shall need to have two of these in best condition possible.

Thanking you, I am

Very truly yours,

L'AURO GILPIN
409 CAMINO DEL MONTE SOL
SANTA FE, NEW MEXICO 87501
Medalist II

Please check

1. ✓ roll film advance mechanism which has been failing to stop at the correct place. It has been overlapping.
2. ✓ Depth of Field Scale for distances.
3. ✓ check plate back for correct position when attached.
4. ✓ Check both releases, cable (which of use most often) and finger.
5. ✓ clean
