Dear Mr. Debye,

It is now neary four months since I wrote to you to proceed with repairing my Medalist II cmaera using parts from a Medelasit L if it was necessary. I have ever heard from you.

In the mean time I have fojnd that there is a man up at Los Alamos who knwos the Medalist Camera and thinks he can repair it.

Will you please return my ~~camasza~~ and I will see what he can do.

Very truly yours,
