Dear Miss Kiker:

Your letter regarding the use of five of my pictures from the Enduring Navaho came several weeks ago. I have waited to answer, as I expected to hear from the publisher, Abelard-Schumann, of New York for a final okay before making these pictures.

Since I haven't heard from them, I am wondering if they were expecting these gratis or if the fee that you specified was satisfactory. Since you specified their contacting me directly, I think I had better find out from you first if they still wish me to do this, before writing to them.

Thanking you very much, I am

Sincerely yours,

Laura Gilpin
