Mr. Mirchell A. Wilder,
Amon Carter Museum
Fort Worth, Texas.

Dear Mitch:-

It was a very great disappointment to me not to come over for Barbara's show. I think a great deal of her and I wanted to be there for this occasion. I was pretty well over the flu but it left me with stopped up ears and the Dr. said "no flying". I still cant hear worth a darn.

I received Barbara's monograph yesterday. It is simply great. She is really tops. Also a lovely note from her from Washington.

I had promised Anita Da that I would ask you about photographs of the two pieces of pottery she gave to your Museum. She needs photographs for her income tax and has only a verbal description. Sorry to bother you about this. S

Please give Sally my very best and also Virginia, and I hope you will be coming over before long. Be sure to let me know.
