Dear Miss Gilpin:

In a recent issue of the New Mexico Magazine ( the Sandia Special Issue) there was a story of Northern New Mexico together with a number of fine photographs of yours. One in particular attracted me, that on page 10 entitled Evening in at Taos, taken I believe in 1924. I own a home in Taos, and my wife and I go there as often as possible, and we are very fond of the area. My request to you is this: would it be possible for me to get an 8 X 10, or a 10 X 14 enlargement of that picture to frame for my home here? There is absolutely no commercialism attached to this request. I think the picture is great, and would like to have a copy.

I talked this matter over with Miss Anita Ellis in the offices of the New Mexico Magazine, and she advised me to contact you to see if you would permit me to make such a single copy. Miss Ellis was not too sure whether you had the negative or whether the magazine had the negative, but felt that my first step would be to contact you concerning my interest in the print.

If you will honor me with a reply I will be in your debt.

Sincerely,

*Ralph R. Guenther*
