Dear Laura Gilpin,

I was pleased to have talked with you
on Saturday & hope to have a visit with you.

My brother, a former legal adviser to
Navajo judges, now works for the Government in
Albuquerque, so I will be visiting him from
time to time.

I formerly worked at the White House
(for Press Johnson) and am a native Texan &
have been writing books for the last 5 years.

Perse ... Loal Sister ... Evers, and a new one

coming out this summer.

Congratulations on your beautiful book -

The Enduring Navajo. It is so
beautiful and ~~mean~~ meaningful & helpful
to me.

Sincerely - Your Admirer

Grace Haskell
