Dear Mrs. Gilpin:

Thank you very much for forwarding the checks as donations to the Betty Foster Memorial. Per your instructions, we are using these funds to continue building up our Library, primarily in Indian Studies.

I think that this is a well thought out plan on your part in soliciting funds on our behalf. This will be a great tribute to a great friend of the Navajo people, Mrs. Foster.

I hope that you will come by and visit when you are out on the Navajo and spend some time in the kind of life that we have, and hopefully that you will get something in the way of information in your next book on the Navajo College.

My very good wishes to you for this year.

Sincerely,

Dr. Ned A. Hatathli
President
