Dear Laura -

That was a superb
lecture and did exactly
what you wanted
gave a beautiful picture
of the Navajoes & their
country.

Was it Col? Kit Carson?

Will be in T&S
Feb 24 for our T&S
monthly lecture by a young
woman who researched the
Blue Lake Indian Land Claim.

Remember with much
joy your talk on the
Norwegian years ago.

Trve. / Helen.

I will be away for a
few days, Feb 18-23
& then up to 1905.
