

wed morn.

Dear Laura,

The news come to us here at the paper today. I regret Miss Foster's death. Yet, I know those last days weren't easy for you or her.

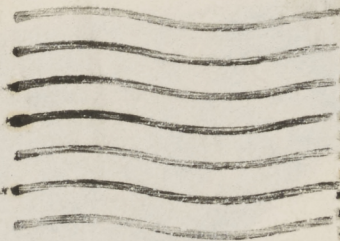

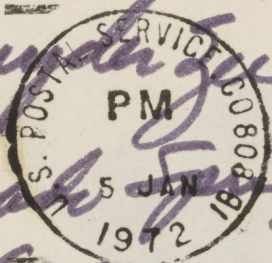

Knowing her many, many years of devoted care and aid to those who couldn't help themselves, her special quality of goodness will not go forgotten. She will be long remembered. I know your loss and if it helps you're not alone. Sincerely, Peggy James
