Dear Miss Gilpin:

Tony Berlant and I are most pleased that you have accepted to write the introduction of the Navaho blanket catalog. We feel, from our discussion with you on the telephone last week, that you have an understanding of the presentation of an introduction to our text. At the time of our conversation, I neglected to mention that our Museum will pay \$500. for the introduction. I hope you will find this satisfactory.

As we also discussed, we are now on the final count-down for the catalog, so we would appreciate having the introduction as soon as possible and no later than February 10.

We look forward to hearing from you.

Sincerely yours,

Mary Kahlenberg
