Dear Miss Gilpin:

Dr. Douglas Schwartz has recently informed us of your writing fellowship to work on a book about Canyon de Chelly. We are very pleased that you are undertaking this project and know that it will be a book of the highest quality.

In his letter Dr. Schwartz requested that you be given permission to camp at Canyon de Chelly if, for any reason, it becomes necessary for you to stay overnight. We are pleased to give you this permission and a copy of this letter is being sent to General Superintendent Art White, Navajo Lands Group, Farmington, and to Superintendent Les Cammack, Canyon de Chelly. We are certain they will cooperate with you in any way to make this book a success. Please do not hesitate to ask for their assistance.

Please feel free to call upon me in this office at any time.

Sincerely yours,

Frank R.owski
Director
