

Dear Laura - This only to
say you are in our thoughts
and hearts and to bring
our warm and loving
sympathy. All the years
of devoted friendship and
loyalty you had with
Miss Foster and your
wonderful rich experiences
together made you closer
than anyone who has not
so shared in another's life could
ever understand. For her
sake know you are glad
she is at peace and doesn't
have to suffer any more but
for you. I know what a
hole her going must leave

and I wish it were not so as
I love you very much and
wish for you only happy
days - if there is anything
I could do to help I hope
you will not hesitate to
call on me. Walter sends
his affection and sympathy
and wishes he could
help.

Love

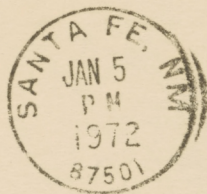

Prach
