Miss Gilpin,

We are herewith sending our last remaining copy of the first edition of ENDURING NAVAJO for your autograph. This is for very dear friends of ours and we would appreciate it if you will autograph it for "Ralph and Erma Burch" and forward it to them.

Attached are a mailing label and meter postage for the shipment.

We do appreciate your taking care of this so very much.

If we ever remember, and if we ever get another trip to Santa Fe, we would like to bring by the books we have in stock for autographing. The rest are a later order and second printings.

Again, thank you so very much for taking care of this for us.

Sincerely,

Robbie Parker
