Dear Laura,

I'm sorry to hear that
your friend Bessie is gone.

Most certainly you were a true
friend in its noblest sense
of the word.

Emily & Gerald were out
to dinner today. We will do
what we can for them.

Recently I read "Río Grande
River of Destiny" and enjoyed it
very much. I will always

Think of you and your books, if
I ever cross it again.

Best of everything to you.

My sympathy -
