Dear Ms. Gilpin:

Thank you so much for collecting and sending the photos we requested for our book on Annie Wauneka.

Unfortunately, it has turned out that due to production problems and a limited amount of space for photos, we won't be able to make use of them after all. Most of the few photos we did manage to include were finally sent at the last minute by Annie herself.

So we are returning your photos under separate cover, with the hope that you will understand that we would have used them if we could. Thanks again for your cooperation.

Sincerely,

Helen K. Tegenfeldt
