Dear Miss Gilpin:

The last time I
visited in your home
I was with Shirley
Sells and her new
husband Jack
Chamberlain — at
that time I mentioned
I was working with
Rita Dickey in sending

Some people from this area out to her to go on her new tour programs.

Since then I have interested a number of members of the Smithsonian Institution in this type tour & my first group will arrive in Santa Fe on May 28th. Rita Dickey tells me they will be able to visit with you and I think this is a fantastically generous gesture for

You to make — I'm
envious cause I'd
like to be with the
group.

But, hopefully
before too long I'll
get back out and say
hello to you again.

Thankz you for
your kindness and
generosity. Sincerely
yours,
Lindale Wade
