Dear Mrs. Da:

Thank you for your letter of December 10 advising us of the bequest of two examples of the work of Maria Poveka and Popovi Da. The museum is pleased to accept this gift which will be made a part of the permanent collection of the Amon Carter Museum of Western Art.

For your information the museum is qualified as a non-profit educational institution under rule of the Internal Revenue Service number 501 (c) (3).

As a safety measure we would prefer that the two pots should remain in safe keeping in Santa Fe until a member of the museum staff can carry them in person to Fort Worth. I would not wish to release such valuable works of art in the hands of a public carrier. Therefore, would you be kind enough to deliver them to Laura Gilpin of Santa Fe who will keep them until we are able to pick them up personally?

On behalf of the trustees of the Amon Carter Museum I thank you and your late husband for this most welcome gift.

Sincerely yours,

Mitchell A. Wilder  
Director
