Dear Miss Gilpin:

Enclosed is the list of illustrations for Claire Morrill's
TAOS MOSAIC, and photocopies of the photos themselves--very poor
copies made on our office copying machine, but they may help you
to identify individual pictures. Could you let us know within
the next week or so exactly which of these photographs are yours?

We're pleased you like the printing of the sample illustra-
tions. When you write, would you please add a line indicating
your approval of the proofs, so that we will have it in writing
for our records?

Thanks again.

Sincerely,

Wanda Conger

P.S. We have ~~been~~ working on the assumption that all photographs not
credited to someone else are yours (lines crediting you will of course
be added before release). For quick reference, I've marked "LG" the
ones we thought were yours, on that basis--although now I'm sure that
a few of them are not.
