Dear Miss Gilpin:

We have combed our files for your aerial photographs of Taos, but we cannot find them. We are almost certain that we returned them to you, however, you may be assured we would never use any of your photographs in the agency's behalf or for a client without reimbursing you and giving you a credit line.

We only wish we might show you a receipt as proof of the fact that we did return your photographs.

Sincerely,

ED DELGADO ADVERTISING AND
