Dear Miss Conger:-

Here are the proofs you sent. I have initialed each picture which is mine. You had most of them, but to save any mix up I have marked both your list and the proofs. The one one thing no one has marked is the copies of the murals for the jacket, by far the most difficult job of all. I hope they will make a really good jacket. The whole job was a lot of fun and I enjoyed it.

Thank you for your cooperation, and with best regards,

Sincerely yours,
