Dear Mr. Francell:-

Your letter came some time ago while I was on a field trip. I am afraid that I do not have any prints the size you require without making them specially for you. When my book was published, I had a big show at Amon Carter. Then it went to the Riverside Museum in New York, then sent to Oklahoma City. My big murals came through, but two cases containing 161 prints which took a year to produce, many of them 16x20s, were stoledn at Kenney Air Port Ait Port and have never been recovered. I have some 8x10s and 11x14s but these are to go to an exhibit in New Yorkby Oct. 1st.

I am very sorry that I cannot send you anything but perhaps another time. With the best of wishes for your exhibit, I am

Sincerely yours,
