Dear Miss Gilpin -

I would like to buy two copies of your book "Temples in Yucatan." Your cousin, Mrs. J. Landers has loaned me her book which I have enjoyed so much, having visited Yucatan this Spring. She suggested I write you to find out where I can purchase them - one for myself, and one for a Christmas present. I cannot find them in the Bay area. Could you give me this information and also the cost of the books.

I would certainly appreciate
hearing from you.

Sincerely,

(Mrs.) Jacqueline Hardester
