

Dear Laura:

Quick snibble —

I have impulsively joined — membership
of SOUTHWEST FOUNDATION for
AUDIO - VISUAL RESOURCES

P.O. BOX 522 Santa Fe — Peter Dechant — Pres.

Is it a "good thing"? I hope so
for I think — all over the world
the remaining vestiges of early culture
should be captured expeditiously
before they are too late.

Love to you — and all best

Barbara

Time WIND - not enough
"TIME"

MORGAN

Wish you could have been with
us when we went to the
Brooklyn Museum to see the
incredible (and beautiful installation)
of the IKHNATON - NETERITI
exhibit.

Jeane had come and re-read
James B.asted and Jaguette
Hawkes etc — HIS POEMS to the SUN!

He was not only a "monotheist" long before the Judea-Christian
but a true UNIVERSALIST - PLANETARY PARTICIPANT.
