Dear Miss Gilpin,

Enclosed are four prints of the photograph I took of you at the Lawrence Ranch.....I am assuming that this is the one Charlene Reeves referred to in her letter, as I believe the other ones were group shots.

I have all of the negatives from the "Popular Culture" conference on file here at the News Bureau, so please do not hesitate to say if you need additional prints--or if I chose the wrong one! I am very flattered (naturally) that you enjoyed the photos; it's a welcome "ego boost" which we all need from time to time.

I saw the Paul Strand show at the Boston Museum in December and enjoyed it immensely. It was like going on some marvelous world tour--a delightful experience.

'Hope you had a pleasurable trip East---

Sincerely,

*Mary Bertel*
