Dear Miss Gilpin,

I so enjoyed our visit last month in Santa Fe. I gained many worthwhile ideas from you that I will be able to use in teaching photography. I also have hopes of using one of your prints in my book. I'll advise you more specifically about this later.

My proposal, manuscript and photographs were returned from Reinhold with a letter saying that it was too much like a book they have in production at this time. They suggested that I send it to Davis. This I have done and so I wait.

Jim McGrath was so kind to arrange our meeting. I'll enjoy sharing this experience with my students. They know of your Enduring Navaajo and now my visit will only reinforce all I've been saying.

Thank you,

Bud Richardson
