Miss Laura Gilpin

My Dear Friend - (I hope)

I received a letter from Isabella Gilpin in Virginia who gave me your address. I am trying to find the name of my Great Grandfather's, Father's name. I have the Gilpin line from 1206 to the first governor of Colorado, William C Gilpin. William C Gilpin settled the estate of Walker C Gilpin, my Great Grandfather, who died in 1853. Joseph Gilpin had 15 children, one Samuel born Apr. 7 - 1694 - died 1767 - had 7 children - one ^{son} Thomas died 17⁷⁸~~67~~ left 2 sons

Thomas and Joshua.

Joshua was the father of William C Gilpin who became the first gov of Colorado.

Walker C Gilpin could have been a brother or Cousin of William C Gilpin, since there was only 5 years between the ages.

William C. born in 1812

Walker C " " 1817 and ^{William}~~Walker~~ C. settled the estate of Walker C when he died in 1853.

I have the Gilpin line from 1206 and I think that one name will close the gap.

We have 6 generations to add.

I would be so glad of your help. I am 82 years old, live alone, and in perfect health.

Let me thank you in advance
Thank you.

Sincerely

Martha Ann Scott
