Dear Miss Gilpin,

I wish to thank you for your prompt and courteous reply. I must apologize for not responding sooner but my wife and I have just fully recovered from a bout with the flu bug.

I too am very sorry I did not write you sooner. Fortunately in a way a bit of luck has come my way since I will not be returning to the East until the end of January. One thing that might be a problem however is the fact that I work for F.D. Fogg & Co./Jewelers, at their Winrock Store and we are now on our Christmas schedule. What this means is that I have one day off a week and that is Sunday. If I possibly could visit you on a Sunday I would be honored but please do not feel you must give up your weekend. Possibly if another day is better for you I could take a day off work to make my visit.

If you do plan some more Platinum Printing in the near future possibly I might come on that day. I would have called you on this but when you work from the hours of 9 to 9 as I do you do not have an open time to call most people at a decent hour. Again thank you for the letter and I will look forward to meeting you.

Sincerely yours,

Alan Lee Voorhees
