Dear Ms. Gilpin:

Your recent gift of one Ira Martin Platinum Print, The Huguenot House, and two Bromide Anton Bruehl Prints is acknowledged with gratitude and appreciation.

To develop the superior school which is our goal, we must depend to an increasing degree on the support of alumni and friends.

On behalf of President Heady, the faculty and student body, I accept your gift in the spirit that you are joining with many others to help the University meet the demands and challenges of the future.

Sincerely,

A handwritten signature in cursive script that reads 'Bill Weeks'.

Bill Weeks,
Director
