

Dear Laura,

Congratulations on your
Beautiful extraordinary photo exhibit -
I have been following your career for
many years, (your shows, publications,
press releases and lectures) - it's
great to see representative prints all
in one place - sort of a feast for
all time - I particularly like the
"blow-ups" Such beautiful, wonder-
ful work, Laura - so many long, hard
hours of effort - how grand to have
them spread out for the viewer to
enjoy, and get lost in -

I have been calling friends in
Albuquerque to come up and see

your show - hope you have rec'd
some orders from them - I too
would like to purchase at least one.
Perhaps we can discuss this on the
phone after the Holidays -

Very best regards from
Bracegirdle Kay West

with every good wish to
you for a prosperous
and happy New Year
