Feb 5th

Dear Laura,

Mike Naeve just called to let
us of the change in your date - it
seems to us a wonderful time to have
your show, when there is so much
celebrating at the Art Center, in memory
of Cms. Taylor. We shall be expecting
you on the 26th, or whatever date
suits you and we hope you can stay
with us until after your lecture - and
longer if you care. The Brownies are
hoping you can visit them too - but
their house is so far out! They are so
happy and their home is lovely. I
think that it will be easier for you

being with us, any way until after
the Sunday as it is not far to the
Art Center. Any way - you are
more than welcome any time
and for as long as you can stay.

Love from us both

Hayel.
