Dear Laura,

Lee has just told me that he spoke to you by phone and that you can begin soon on the portfolios. That is wonderful news. Before you start however, we must agree on the ten images to appear in the portfolio. If you quickly send the prints outlined in my letter of March 29, 1974, we will make the final selection, with your approval of course.

As soon as I receive those prints I will arrange to get the mounting boards.

All the best,

A handwritten signature in cursive script, appearing to read 'Dan', written in dark ink.

P.S. Please send the prints to the above address.
