Dear Laura,

John Jacob Niles, a longtime friend of Doris Ulmann, has sold some prints by Doris to Lee Witkin for an exhibition and sale this coming year. Niles needs some kind of base price as of about 1934 to use in reporting capital gains for his income tax. Can you recall what was a fair market price for your work in 1934? I ask you this question since your work would have brought about the same as that of Doris Ulmann, your older contemporary.

Thank you for your help.

Best regards,

Van Deren Coke  
Director
