Dear Laura:

A catalogue of the Lincoln First Bank of Rochester Collection is to be published in 1975 by Morgan and Morgan. One print by each of the eighty-five photographers included in this collection of twentieth century photography will be reproduced.

If we do not hear to the contrary from you by December 15, we assume you have no objections to reproducing in this publication one of your prints from the Lincoln First Bank Collection.

You will, of course, be sent a complimentary copy of the catalogue when it is published.

Best regards,

Van Deren Coke
Director
