PHOTOGRAPHERS WRITERS FILMMAKERS DESIGNERS GRAPHIC ARTISTS

Dear Laura Gilpin —

So glad you answered the phone,
the precise moment of need! Hope-
fully we'll make a sale together.

I'm asking The US Commission on Civil
Rights to return the prints to me
and then — we'll be back in Calif-
ornia mid-January — we send
them and some data (typewritten!)
about our group of freelancers.

Best for 1974.
