Dear Laura Dilpin,

Thank you for taking time to type up your directions on platinum printing - it is a favor I am most grateful for. I very selfishly am keeping the original - I've been traveling back these past 2 weeks, that is my excuse for the delay in sending these copies out to you.

The afternoon Diana & I spent with you is one of the pleasant memories of Santa Fe for both of us.

Thank you again,

Indie Dohmen

and p.s., as soon as I get a print I am happy with, I'm going to send it to you.
