

July 3,

Dear Steve:-

What goes on? Someone was here yesterday for an autograph. Had just bought a book from the Book Store. Mr. Cable told him that the book was just about out of print. Now what does this mean? I haven't heard a word from anyone U.T.P way. Have been over at the Canyon for a short trip. Mr Young at Ganado had just gotten in ten books. He seems to be the best seller anywhere.

Expect to be here until September. Is Dave Gilbert Director of the Press or what? Do let me know. Another thing. The Ancient City Book store reported that books were reduced to \$14.50 but no one else seems to have heard about this.

Do let me hear from you.

Greetings to you both,

L.G.
