Dear Laura,

Hi! Hope you are still getting more beautiful photographs from your flights over the Canyon de Chelle.

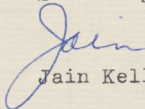

One of the customers who purchased one of your platinum prints (a tree with icycles) noticed that it was signed only on the overmat. He is going to mail you the copy with the request that you sign it again. I'm not sure if the print is dry-mounted to a board, or only tipped. If it is drymounted, please sign the board to which it adheres. If only tipped in, please sign the back of the print in pencil.

The customer is mailing the print directly--he is Harold Jones of Light Gallery in N.Y. So, if you receive a package from Light Gallery, please don't be puzzled!

We have received the three prints of Francis Nakai and Family, and the customers are quite pleased! Thank you very much.

We think of you often

Sincerely,

Jain Kelly
