Dear Laura--

Forgive the long delay on sending you a list of platinum prints that we still have here.

Shortly after you called, John Bullard of The New Orleans Museum of Art came by, and flipped over your platins. He had us send a large number to the museum on approval, and we anticipate that they will take all or most of them.

We have literally only one of two platins at the moment because of this. Hope all this pleases you; we are very happy about it.

Have a marvellous Christmas, and a very happy New Year!

My Best,

Jain Kelly
