Miss Laura Gilpin
409 Camino del Monte Sol
Santa Fe, New Mexico

Dear Miss Gilpin:

Please accept my apologies for the cancellation of our meeting, and for my inability to reach you. These are always frantic trips for me, rushing from one meeting to another. I hope to be in Santa Fe for the summer and to have more time, but I also hope that before then to be in your town and to again request that I might see you.

Sincerely,

James Kraft
