Dear Miss Selpin,

Thank you so very much for being so kind and generous to the students. They thoroughly enjoyed themselves and were all delighted to have a chance to talk to you.

Jim was delighted with his photograph of Shiprock and Cliff Palace looks down on me as I work at my desk.

Do hope your Canyon De Chelly work goes well - If you ever need a big Land-Rover and a good driver Jim will volunteer, Canyon de Chelly is one of his favorite places.

Sincerely, Mary Lanier
