Dear Ms. Gilpin:

Thank you for your gracious note saying you will come and speak to us on our TAA Lecture Series. We are all delighted! Would Sunday, March 9 be a satisfactory date for you? We hope so.

My only regret is that I will not be here for the March date. Ellie and I will be in the South Pacific which is very exciting but I shall certainly miss hearing you and having you as our guest. But I have already been inundated with people who would love to have you stay with them so just let me know whether you would prefer a motel. Art Adair, whose brother John I think you know has laid claim to the honor of introducing you and seeing that your slightest whim is taken care of.

Just so the details are straight let me repeat them. The date is Sunday, March 9, at 4:00 p.m. in the TAA Auditorium. The acoustics are fair but we can provide you with a mike if you prefer. Just let me know. Also we can find you a projector and someone to run it if you do not wish to bring your own. That is, of course, if you will need one. We will be completely at your service to pick you up and any other little thing you may wish. The honorarium is fifty dollars.

Could we have some material for publicity by the middle of February or anytime sooner you may wish to get it off your mind? Please include a glossy picture if you have one we may use. And that will be plenty of time to tell us what you will need by way of equipment. If you send this material in February please send it to Art Adair, Clay and Fiber, Taos, but if you want to send it earlier I will be happy to handle it.

Good luck on your show. That must be a tremendous job. I shall be looking forward to seeing it.

We are all very excited about your willingness to come. I do hope the March date is satisfactory.

Sincerely

Charlotte I. Lee
