FROM THE DESK OF

HARRIET LYONS

8/7

Dear Ms. Gilpin:

Good to hear from you.

We're in the process of moving (same address, different floor), so there is much confusion. I was able to locate enclosed prints (not used in magazine) and will forward you others as soon as we're unpacked.

Incidentally, Dr. Wittenstein's photos did not turn out that well and we are using photo that appeared on your Witkin release of last year.
