Dear Laura:

Mrs. Demmin, who is working with the Arts Center on research for an exhibition of Van Briggie ceramics, has mentioned that you brought to her attention a photograph of Artus and Anne Van Briggie in the pottery. I would be interested to have a print for a catalogue we are producing for the exhibition and would therefore like to know if you could supply us with one if the photograph is one you owned. We are also interested in any other photographs or information you might have concerning the pottery.

Looking forward to your visit,

Yours sincerely,

Director
