Dear Miss Gilpin:

Thank you very much for accepting our invitation to help jury our photography competition, "The Photo Document-Victorian Architecture in New Mexico." We have set Saturday, February 9, 1974 at 1:30 PM as the date for the jurying of this competition and hope that this time is convenient with you. We should meet at the History Library of the Museum of New Mexico which is located on Washington Avenue.

After the judging we hope that you will join us as guest of the Museum for dinner at THE COMPOUND. We would appreciate your earliest written reply so that we may begin processing your stipends check. Thank you.

Respectfully yours,

Arthur L. Olivas
Photographic Archivist
