Dear Ms. Gilpin:

The very successful presentations of the American photographers Minor White and Eliot Porter has indicated to us a strong public interest in photography. In an effort to continue to exhibit the finest work available we are hoping to schedule more photography shows in the next two years. We are particularly hopeful for the opportunity to show the achievements of New Mexico photographers.

I would like to invite you to exhibit your photography here at the Roswell Museum and Art Center in a feature exhibition. If you are interested I would be pleased to make an appointment with you to visit your studio and discuss the necessary arrangements.

For your further consideration I can now offer the following tentative dates:

October 26- November 30	1975
December 7- January 11	1976

Again, I look forward to the opportunity to exhibit your photography here.

Sincerely,

*Wendell Ott*
