Dear Ms. Gilpin:

Thank you very much for your time and your help on our Rio Grande project. Things are progressing along smoothly and we'll keep you informed as we get more into it. In the meantime I hope your Canyon de Chelly project will continue to be as successful and exciting as we felt it was.

Thank you again,

Jack Parsons

P.S. Our film LOOK WHAT WE'VE DONE TO THIS LAND will be shown at 1:20 June 2 on KO3 television. If by any chance you would like to see it on a color TV and need access to one, you're welcome to see it at my home, 439 Camino Monte Sol. My number is 988-3419.
