Dear Miss. Gilpin;

Tiresias Film Productions is currently producing an ethnographic documentary film on the Navajo Indians, which has been approved by the Navajo Indian Tribal Council. The film depicts current Navajo life, which will be prefaced by a short historical narration accompanied with a pictorial montage of historical still photographs.

Mr. Gar Packard of Packard Publications suggested that your advice and help would be an asset in our search for suitable photographs. If your collection of photographs is available for reproduction in projects such as ours I would be glad to send you more information on the film and a list of areas for which we need pictures.

Thank you very much for your attention in this regard.

Yours sincerely,

Jonathan R. Reinis
President
