DEAR LAURAY

Stopped by to say hello
on our way East. So sorry to
miss you. Hope your projects
are going well. Saw Van & he
said you flying all over the
stys to make pictures. What A
wonder you are!

We will be seeing Lee Within
in about a week & will say hello
for you. Lee & I will both be
at Penland School of Crafts in
N.C. for a few weeks.

Even though we missed
seeing you I can at least
feel having our exhibit together
at Within's was like seeing an
old friend.

Catch you next time!

Warm Regards,
Leland Rice
